**FOR**  
**REQUEST FOR PROPOSALS**  
**WASTEWATER TREATMENT PLANT**  
**FOR**  
**THE WATERWORKS AND SEWER BOARD OF THE TOWN OF SARDIS CITY**

**APRIL 15, 2019**

TO: ALL PLAN HOLDERS AND INTERESTED PARTIES

I. **EXCLUDE effluent dosing tank(s) and pumps from the RFP**

- A. The wastewater treatment equipment must provide an effluent compatible with a drip irrigation effluent disposal field (EDF). It is desirable that the effluent be discharged from the proposed treatment plant via gravity flow into the effluent dosing tank(s) that is/are not included in this RFP.

THIS ADDENDUM ISSUED THIS 15<sup>TH</sup> DAY OF APRIL 2019.
